Selectmen to Consider
S.A.D. 44 Director Appointment
At Sept. 28 Meeting

The Board of Selectmen met in regular session Monday evening, Sept. 14, in the Bethel Savings Bank meeting room and acted on a variety of agenda items. The Board set Monday evening, Sept. 28, as the date they would consider the appointment of a S.A.D. 44 director to replace Harry Dresser who recently resigned. All persons interested in serving in the position should contact the Town Office or any member of the Board of Selectmen prior to Sept. 28 as the Board will be meeting with interested persons that evening.

A renewal liquor license was approved for Esther Crockett d/b/a the Bethel Spa Restaurant. A pole permit was approved for Central Maine Power Company to install a new pole on Paradise Road near the Archie Young residence.

The Selectmen signed a lease with the Savings Bank for Town Office space for the period Sept. 1, 1981, through Aug. 31, 1982. Rent for this period is \$400 per month which reflects a \$200 per month increase over last year's rent. The Town is also responsible for all utility costs for the portion of the building being used.

The Board postponed action on the appointment of a Seal of Weights and Measures pending further investigation.

The Manager reviewed the arrangements for the Special Town Meeting on Tuesday, Sept. 15, with the Board and spent considerable time reviewing and discussing the August financial statement. He also reviewed with the Board the financial status of the Chapman Brook Bridge Construction Project and updated the board on the status of 1981 special projects.

The next regular meeting of the Board will be Monday evening, Sept. 28.

SPECIAL TOWN MEETING HELD TUESDAY EVENING

Approximately 30 Bethel voters, including municipal officials, were in attendance at a special Bethel town meeting held in the lecture hall at Telstar Regional High School on Tuesday evening of this week. William Cousins served as moderator of the two and one-quarter hour session.

Following several successful attempts at amendment, a Hazardous Waste Ordinance as proposed by the Planning Board and recommended by the Selectmen, was adopted by those attending with the addition of the phrase "or disposal" near the end of the first paragraph. The ordinance follows: "The disposal or storage of hazardous wastes as designated under the 'United States Resources Conservation and Recovery Act of 1976, public law 94-580' and/or the disposal or storage of radioactive waste materials as defined by 38 M.R.S.A. 361-D.I.B. within the boundaries of the Town of Bethel, Maine is prohibited. However, materials used for normal domestic housekeeping are outside the scope of this ordinance and whereas the traditional uses or storage for use of hazardous materials in agriculture, silviculture, manufacturing and industry are governed by federal and state law, it is not the intention of this ordinance to impose further restrictions upon such use or storage or disposal of materials intended for such use.

"Any request for an exception to the prohibition contained in this ordinance shall be submitted in writing to the Selectmen of the Town of Bethel, who shall place the request before the voters of the town for decision at Town meeting.

If any part or parts, section or subsection, sentence, clause or phrase of this ordinance is for any reason declared to be unconstitutional or invalid, such shall not affect the validity or constitutionality of the remaining portions of this ordinance."

The voters also approved a Recreation Board Ordinance which provides for seven members of that Board as well as dealing with greater specificity its organization than was possible with the war-

WORK UNDERWAY ON THREE BETHEL AREA HIGHWAY IMPROVEMENT PROJECTS

Work has begun on three Bethel area highway improvement projects. The three projects were combined into a single contract by the Maine Department of Transportation as an economy measure.

Walter Horton, MDOT resident engineer on the projects, says the contract calls for repaving a section of Route 113 in Gilead and Bachelors Grant, improvements to a section of U. S. Route 2 in Gilead and Bethel and construction of a bikeway along a section of Route 26 in Bethel.

The contract was awarded to Pike Industries of Tilton, N. H., on a bid of \$555,369.75. Horton says plans call for completion of the work by mid-November, weather permitting.

Horton explains that work on Route 113 will begin at the Route 113-U. S. Route 2 intersection in Gilead and extend southerly for 2.0 miles into Bachelors Grant. Funded under a special federal program for forest highways, the project calls for placement of a new hot bituminous concrete surface to strengthen and preserve the existing highway and provide a smoother ride.

The project area on U. S. Route 2 begins about 0.63 mile north-

REPLACING CULVERT — Old culverts which have been in for some 30 years are being replaced during the present highway improvement project on U. S. Route 2 west of Bethel village. The Pike Industries is shown preparing to replace one Tuesday afternoon near the residence of Angelo Onofrio in Skillingston.

HONORED — A public reception was held Sunday afternoon in the meeting room of the Dr. Moses Mason House and many Bethel citizens stopped by to wish Norm and Jean Ness well as they begin a new life in Orono and expressed their gratitude for their fine contribution to Bethel.

On Friday evening all the Selectmen and former members of the Board as well as nearly all town employees were present at a special dinner honoring Mr. and Mrs. Ness at the Town and Country in Shelburne, N. H. The Town Manager and his wife were presented with flowers and a gift certificate for the forthcoming town history by the Board of Selectmen.

— Joannine Fleet, Corres. —
Mrs. Mary Morin was in Portland to the doctor's Saturday.

Mr. and Mrs. David Fleet called on Julia at Ledgeview and found her feeling real well. They have had her outside a couple of times.

Parker Daye of Englishtown, N. J., is spending a few days with the Ed Dayes.

Mrs. Nancy Kimball and girls were up one day and visited with her mother, Mary Morin.

Mr. and Mrs. Gary Roshto were in Augusta on business one day this week.

Mr. and Mrs. Scott Dennis and Andy have been spending some time with Mr. and Mrs. Jack Dennis.

David Daye and Marshall Fleet attended the 4-wheel-drive pull at the Oxford Fair.

Sent in by Eva Yates:
The usual dark morning, better days will be here as soon as the sun gets back from its vacation, but yesterday was excellent all day, not too hot and not too cold.

So 75 of us gathered at the home of Bryce and Barbara Yates for the Rowe reunion. All ages, from baby Eva 2 1/2 months old, to three of us at 83. The kids and young set played ball and horse-shoes, etc., while the others just gabbed. A good time was had by

all and a pot luck lunch left no one hungry. The Go-Shoes were right there but this morning they are a little loopy or weary. There were at least 15 towns represented.

Robert Bean called on Joe Yates Saturday morning.

Peggy Blake and Joe and Eva Yates were in Lewiston Tuesday, Sept. 8, to see their eye doctor. On their way home they called on Eva's school mate, Hazel Cole, of Mechanic Falls. Eva's family and Hazel's parents were close neighbors but that was long, long ago when we were young.

The Blake boys, Brian and Harley, delivered some mulch hay for Joe Yates, Saturday.

Russell and Eva Yates were in Rumford on business Sept. 9.

Bear River Grange met Saturday night but several were expecting did not come. Resolutions of respect were read and accepted for Lillian Coolidge and Oswald Gotjen. We enjoyed having one of our 60-year members, E. L. Holt join us and hope when we meet downstairs just maybe Gwendolin may join us, also our Overseer Raymond Tripp, Sr. Our next meeting will meet at Bear River Grange on Oct. 6 with a 6:30 pot luck supper.

Mr. and Mrs. B. Yates leave Wednesday for Springfield, Mass., to visit the Eastern States Exposition. Keep smiling!

Upton

— Mrs. Arline Bernier, Corres. —
We are still without a frost as of Sept. 15. A couple of nights were very close but the tomatoes are still ripening on the vines and the dahlias are prolific.

Margaret Mitchell took Cathy Moody to Sebago Lake for a visit with folks in the area and to catch a plane for St. Petersburg. During that time, Margaret's sister, Tillie Grundy became quite ill and was rushed to Westbrook Hospital. Margaret returned home Sunday with Tillie much improved.

The congregation at church continues to grow as 22 from Upton attended plus several visitors from Errol and Berlin.

The Planning Board meeting scheduled for September has been cancelled because of other activities of several of the members. The October meeting will be postponed until Tuesday because of the holiday.

COLD WATER BROOK ROAD — NORWAY

— Wilma Pierce, Cor. —
Guests and callers at DeShons have been: Maureen Dean, West Paris; Mr. and Mrs. Pat Hussey and girls, Mr. and Mrs. Randy Payne and daughter, Kathy Pulsifer, Marilyn Osborne.

Geraldine DeShon, Yvonne Whittemore, were in Lewiston one day last week, shopping. Guests and callers at Pierces have been: Mr. and Mrs. Robert Pierce, Mr. and Mrs. Franklin Pierce, Lib and Peter Wilson, Portland, Kathy and Steve Pulsifer of Oxford.

Eugene DeShon is having two weeks vacation from his work in Rumford.

Songo Pond

— Mrs. Ralph Kimball, Corres. —
One day last week Mr. and Mrs. Wallace Saunders and Mr. and Mrs. Jack Parsons went to Wolfboro, N. H., and took the boat trip on Lake Winnepesaukee. They also visited the Castle in the Clouds.

Mrs. Winnie Watson of Bolsters Mills visited her sister, Mrs. Millie Wentzell last week.

Miss Ivy Philbrook was at home here over the week end from her work in Massachusetts.

Mr. and Mrs. John Kallis were in Boston one day last week to see his doctor.

Several from this area attended the All Parish Women's Fellowship supper and quarterly meeting at the Albany Church last Wednesday evening. There were 31 present.

Recent callers of the Pat Greniers were Mr. and Mrs. Malcolm Mundt, Mr. and Mrs. Donald Bennett and children.

I picked a tomato from my garden this week end that measured 19 inches around and weighed 2 1/4 pounds.

Jimmy Kimball has a sunflower in his garden with 31 blossoms on the one stalk. The Kimballs were in East Dixfield Tuesday for tractor repairs. Mrs. Jocelyn Heath and three children of Lynchville were callers at the Kimballs Saturday morning.

Mr. and Mrs. William Bancroft recently visited Mrs. Lorraine Greig in Hartford.

Mrs. Alice Kimball was in Portland Monday and had supper with the Bean family in Otisfield.

A neighbor group met at Mrs. Irene Anderson's Monday evening for a workshop for the Albany Church. Next meeting will be Sept. 28 at Mrs. Christine Kimball's.

Ms. Sue Pollard of Portland was a Sunday visitor of the Wallace Saunders.

NOTES FROM

Evans Notch

White Mountain National Forest

Have you ever noticed: the small openings that afford spectacular views along roads and trails, the fruit laden apple trees that line old country lanes, or the warm and quiet openings that harbor many types of delicious berries?

Such openings on the Evans Notch Ranger District of the White Mountain National Forest are managed to provide a variety of opportunities for the Forest visitor and for wildlife species that require such habitat.

Maintenance and perpetuation of wildlife openings are important facets of our habitat management program. These openings provide "food and lodging" for species such as deer, song birds, small mammals, moose and rough grouse. Hunters are quick to recognize a forest opening and its "edge" as a favorite habitat for game species. Other visitors find openings to be of value for observing and photographing wildlife of all kinds, and some plants, such as the colorful fireweed, black-eyed Susan, and sumac, are found only in open situations. Berry pickers enjoy harvesting the raspberries, strawberries, choke cherries and blackberries found in openings. Openings frequently have historical significance with the remains of many a 19th century farmstead present. Some openings are even used for overnight camping. The value of Forest openings, in summary, includes a broad spectrum of important ecological and social values.

In our creation and maintenance of openings, we utilize old timber sale landings, clear brush from old orchards and homesteads, and expand natural openings along roads and trails, attempting to interpose openings within many types of forest cover. During the preparation of timber sales, landings may be designed for future opening maintenance, or special cuttings may be planned to enhance old orchards and restore the land to an open state. In areas where no timber activities are scheduled, openings have been developed by crew members of the Young Adult Conservation Corps (YACC) and Youth Conservation Corps (YCC).

Openings may be maintained in a number of different ways, including hand treatment, herbicide application, prescribed burning, mechanical methods. We are presently analyzing alternatives for opening maintenance during the coming fiscal year. If you, or an organization you are associated with, has interest in maintenance of forest openings, we would appreciate receiving your input to help us with the decision making process for future opening maintenance. You may wish to consider "adopting" a forest opening for observing and recording wildlife, removing of undesirable species, or enhancement of desirable plant species. Such volunteer efforts improve the wildlife habitat of your National Forest. Please contact the District Ranger if interested in these opportunities.

HUNT'S CORNER AND VICINITY

— Kathy Bennett, Corres. —
The leaves have begun to turn, pumpkins are becoming a bright orange, potato tops are dying, all sure signs of fall.

Recent callers at the home of Hugh and Edith Stearns and Ruth Bumpus have been, Barb and Nita Inman, Mr. and Mrs. Clarence Waterhouse, Kathy and Dick Bennett, Terry and Darrell Howard, Ivy Philbrook, Rosaline Lassiter, and Earlon Keniston.

Helen and Linwood Ring were recent supper guests at the Wardwell Farm. Other callers there have been Verna Robinson and Herman Gabelell, also Edith and Harris Hathaway.

Albert and Elma McAllister visited Mr. and Mrs. Irving Hale and Mr. and Mrs. Roger Hale in Denmark last week end.

Mr. and Mrs. Tim Kavanagh and family were guests of honor at a surprise house-warming on Sunday, Sept. 6. About 50 friends and relatives attended. They were from Maine, Massachusetts, Rhode Island, New Hampshire, Connecticut and Vermont.

Friday evening, Mr. and Mrs. Roger Barton, Mr. and Mrs. Arthur Seavey, Mr. and Mrs. Richard Bennett and Mr. and Mrs. Franklin Barton went out to supper to celebrate Franklin's and Margaret's 20th wedding anniversary.

Saturday evening, Franklin Barton attended a Coon Club meeting at Sandy Creek in Bridgton.

Sunday, the entire Barton family went to Brownfield to celebrate Franklin Barton, Sr.'s, birthday.

Recent callers at the home of Sarah Andrews have been Doris Fraser, Allan Fraser, Sue Fraser, Wanda McDonough and daughter from Kittery, Mr. and Mrs. Wayne Andrews and Kelly, Mr. and Mrs. Timmy Ward and children, and Arlene Gunther.

Linwood Andrews is visiting his mother for several days.

Sarah Andrews spent Sunday with her daughter, Shirley Corbett, and they attended the baby show at Oxford County Fair as three of their grandchildren were in it.

Peace and quiet has returned to K-D's Acres as of yesterday morning when the school bus arrived and Dick returned to work after two weeks vacation. Yes, I'm still canning and freezing and I guess I will be until Jan. 1!

Recent callers have been Harold and Annie Nutting, Margaret and Franklin Barton and boys, Gus and Polly McAllister and Paul, Mr. and Mrs. B. Wentworth, Christine Kimball, Sonny and Phyllis Blake, Ruth and Erland Scribner. Sunday evening my family gathered here to celebrate my sister Christine Cole's 25th birthday. We all enjoyed a cookout and a good visit. Attending were Mr. and Mrs. LaForest, J. Twitchell, Kay

South Woodstock

— Olive Davis, Corres. —

Schools have begun again. Last week Telstar opened and West Paris started this week.

Colleges also are opening. David Clements returned to Bowdoin College last week. He will be a senior this year.

Mr. and Mrs. Nicholas Clements took Bruce to Troy, N. Y., where he is entering Rensselaer Polytechnic Institute as a freshman. He is planning to study computer science while there.

Mr. and Mrs. Clements visited friends in New York and Mrs. Clements' brother in New Hampshire before returning home.

Eric Clements is attending school at Telstar as a junior this year.

Ralph Hoyt cleaned three chimneys for Olive Davis this week.

Some attended the open house musical at Franklin-Grange Monday evening.

I called on Lizzie Russ at

Ledgeview home this week. She is busy making knitted mittens. She had sold two pairs. She had two more pairs on her bed ready for some one who needs warm mittens this winter. She would like to see more of her friends. It's lonesome, you know.

How's your potatoes turning out? Mine are Big, BIG. I had about 35 out of four hills which would last me all winter, as I could eat only half of one that size a meal. Hope yours are bearing well, too.

Mrs. Esther Davis and daughter Patsy Tibbets and Jackie were in Freeport Sunday. Jackie stayed with her cousin, Troy, for the day while Esther and Patsy went to Brunswick to see Velma Davis who is in a home there.

Wednesday night was rather cool. The thermometer went down to 30° by Thursday morning. We didn't have a frost here but many places did. Some told of ice on their windshields that they removed before driving to work.

Alice were married in the Magalloway Church by Rev. George Duke on Sept. 15, 1956.

Mrs. Isabelle Bryant's guests over the long week end were her son, Bill and family from Westfield, Mass., where Bill is employed, and Segmend Gundersen from New York.

An overnight visitor at the home of Lisa McGinley was Representative Marguerite Wiswell of Colebrook.

The Giradins of Greene visited the Braggs on Sunday evening.

The fall term of school opened on Sept. 8 in Wilson's Mills. The Magalloway Elementary children are attending school there this year. The new teacher is Mrs. Theo Hoffman from Rangeley.

The Grange members are putting the finishing touches on their projects for the Annual Azisacos Grange Fair to be held on Saturday, Sept. 26.

Bea Hinkley, Bedford, Mass., and daughter, Bea Reed, Rumford, and June Hinkley, Bea Hinkley's daughter-in-law, Florida, called on Bertha West on Tuesday. Maude Harrington called on Bertha on Thursday.

Election was held at the Azisacos Grange meeting on Saturday night. The new officers elected were: Overseer, Larry Bragg; Chaplain, David Fulton; Flora, May Thoms; Pomona, Helen Russell.

Clarice Gibson, Corres.

A beautiful Sunday day, Saturday was a chilly, overcast and finally rainy weather. When the rain stopped the sun came out and looked like there should be a rainbow. I went out to look for one but either I was too late or there wasn't one. In the evening Frank and I took the camper down to my sister's and husband, Mr. and Mrs. Don Holden's, Norway. The moon guided us and the old song, "Shine On Harvest Moon," kept going through my thoughts. We came back Sunday after breakfast and harvested what pumpkins and squash we had. All pulled over half the tomatoes and cut up for tomato chow-chow. Tonight we are apt to have a frost as it is full moon.

Think I will have to take time out for a month to get the garden harvested and buttoned up for winter. Haven't seemed to ever get caught up and fall will be upon us next week.

Yesterday while eating dinner my brother, John Allen, called from California and later, our son, Ira called from the Philippine Islands.

Labor Day Robert and Linda Howe had as guests for dinner Noah and Ellie Lantor of Brooklyn, N. Y.

Mr. and Mrs. Robert Stearns went to the dinner Friday night at the Town and Country, Gorham, N. H., for Mr. and Mrs. Norman Ness.

Jody Shimamura was home from his studies at the U. of M-Farmington with his parents, Mr. and Mrs. Joe Shimamura.

Sept. 8, Mrs. Evelyn Hilborn entertained for dinner, Frances Farum, Kay McAllister, Bryant Pond, and Bertha Flanders, Locke Mills. Friday all the ladies and Tobey, went to Kennebunkport, south to York and the Lights and had dinner at Ogunquit. Friday, while Evelyn was away her friends, Mr. and Mrs. Gordon Stephenson, of Fonthill, Ont., near Niagara Falls came and left Sept. 15. Evelyn and Tobey drove back as far as the Canadian border with the Stephensons but Evelyn drove her car. Monday they all went to Gorham, N. H., for dinner. Evelyn's friend, Ellen's brother and wife, Mr. and Mrs. Douglas Robb, Peterborough, Ont., were also visitors.

Mr. and Mrs. Dan Hannon went to Telstar to watch their daughters play soccer with the Bethel Recreation Team. Mr. and Mrs. Scot Bills took their daughter, Daphni, Eric and Brian Anderson and watched the three play. Sue Moore and Patrick took and watched Stan, Jr., and Heidi play, and Dick and Sue Angeline, Kristi, Ricky and friend, Laurie, took and watched Tim.

Mr. and Mrs. John Laban and children enjoyed a week's vacation, leaving Sept. 7.

Melinda Mason participated in the horse show at Oxford County Fair Sunday.

Mr. and Mrs. Ernest Angevine and Betty Blake went to Oxford County Fair, Sunday. Evelyn Hilborn and Mr. and Mrs. Gordon Stephenson also went to the fair on Sunday.

Pat Anderson and Eleanor Brooks went to church at Rumford Point Sunday and on the way home stopped at some yard sales. Sunday evening Mr. and Mrs. Steve Anderson and boys had supper at Carolee Roberts' in Greenwood.

ADULT EDUCATION FOCUS ON ENERGY

The S. A. D. #44 Adult and Community Education program continues its emphasis on energy-related courses this fall with several new courses. James Sysko of Newry will teach a short course on Small Hydro Power use. Mr. Sysko operates a power-generating dam on his property and will offer both theory and practical applications for those interested in the potential of small hydro-electric generation for individual, neighborhood or community use. The course will meet on Thursday evenings starting Sept. 24, from 7-9 at Telstar High School for four weeks and will include a field trip.

Brenda Eddy, home economist and educator for Central Maine Power will present a free workshop on Energy Efficient Window Treatments on Thursday, Oct. 8 from 7-9 at Telstar Regional High School. Included will be examples of 17 different types of insulating shutters and drapes. Many of the window projects are suitable for low-cost, owner-done projects. To enroll in either course call S. A. D. #44 Adult and Community Education, 824-2136, between 8:30 and 2 weekdays.

BETHEL SENIOR CITIZENS HOLD SEPTEMBER MEETING AT RUMFORD POINT

The Bethel Senior Citizens met on Sept. 9 at the Rumford Point Church for their monthly meeting with 97 members and two guests present. Maude Danforth had charge of the registration book.

In the absence of the president, the meeting was called to order by the vice president, Angelo Onofrio. One verse of "America" was sung followed by the flag salute. A special welcome was extended to the guests, Elizabeth Baker and Dorothy Walker. The secretary's and treasurer's report was read and accepted. Floribel Haines reported that six get-well cards had been sent. It was announced that Ethel Whittemore has a cane that will be available to anyone who might need it.

It was proposed that the group sponsor a food sale to benefit the Cystic Fibrosis Foundation. There will be more discussion on this at the next meeting.

Joan Coolidge reminded all those taking the trip to Vermont that the bus will leave Norway at 8:30 a. m. on Sept. 28, stopping at Locke Mills post office and arriving at the Bulldog Diner in Bethel between 9 and 9:30 a. m. She also gave a brief outline of a tour being planned to Orlando, Fla., on March 1. If anyone is interested, reservations should be made as soon as possible. The prices range from \$479 quadruple to \$729 single with all admissions included. Places of interest on the itinerary are: St. Augustine, Disney World, Busch Gardens, Sea World, Cypress Gardens and Florida Citrus Tower.

Elizabeth Lord announced that the course "55-ALIVE" will start Oct. 21 at the Moses Mason House from 9:00-12 a. m. It is hoped that many will take advantage of this course which is designed to help Senior Citizens improve their driving habits.

Those seated at the head table were: Mr. and Mrs. Clifton Bean, Cora Bennett, Sylvia Conroy, Avis Doon, Maggie Lowell, and Ethel Whittemore. The birthday cake was furnished by Maggie Lowell and made by Leona Flint.

Grace was offered by Rev. Millett Cummings after which a chicken pie dinner was served by the ladies of the Rumford Point parish and was greatly appreciated. Emily Saunders gave a brief but most interesting account of the camping trip which she and Sue Farrar took to Nova Scotia and Newfoundland.

East Stoneham

Gladys Kilgore, Corres.

Rev. and Mrs. Deane Hodges of Newington, Conn., were recent callers at the John Grovers, Sr., having been vacationing at Belgrade Lakes. Deane served as pastor in O.C.U. Parish from the fall of 1938 to the Spring of 1942.

John Grover, Jr., of Albany, has returned to his work for Grover Lumber Co. after being absent a week with an injury to his back.

The Women's Fellowship of O. C. U. Parish met at Albany Wednesday, Sept. 9, with 29 members and three guests present for a 6 o'clock meal. Worship service followed with the Stoneham group in charge. The business meeting dealt mostly with mission subjects and the upcoming annual meeting and a book review was given by John D. Gates which was greatly enjoyed.

Mr. and Mrs. Hubert Barker and son Donald visited Inez Barker recently for a week end. The family enjoyed a cook out on Sunday and made a family reunion of the occasion.

Helen Grover visited Gladys Kilgore and Ethel Files recently. Both Gladys and Ethel spend much time by themselves and enjoy visitors.

Pastor Jeffrey Hooker is moving this week from the Beth Jones home on Butters Hill to the Mahlon Grover house at North Waterford.

The church supper last Thursday was well attended in spite of the showery weather. Next supper will be the "harvest" supper, Oct. 8.

A two-day rummage sale will be held Friday and Saturday, Sept. 18 and 19, at the Vestry. Food also plans will be on sale.

YOUTH SOCCER RESULTS

The Bethel Area Youth Soccer League completed its first round of games Sunday, Sept. 13, with a good crowd on hand to enjoy the excitement.

The scores of the games were as follows: Sockers 2, Rowdies 1; Bombers 2, Strikes 0.

Individual goal scorers—Sockers: Mike Thompson, Brant Remington. Rowdies: Jimmy Merrill. Bombers: Angie Jordan, Martha Newell.

The next round of games will be played Sunday, Sept. 20, with the following starting times: 1 p. m., Bombers vs. Strikes; 1:45 p. m., Sockers vs. Rowdies. All players should arrive one-half hour before the starting time. Any questions, call 824-3369.

NEWS FROM ADULT AND COMMUNITY EDUCATION

The second week of registration for classes in the S. A. D. #44 Adult and Community Education program is nearing completion. While several courses have reached their maximum enrollment, many others are still open for registration and those interested should not hesitate to phone the Adult and Community Education office, 824-2136, for information. Andover residents wishing to enroll in the Foods Laboratory or Wills and Probate courses to be held in Andover this fall may call the Andover Elementary School to register in lieu of a toll-call to the Adult and Community Education office. For other courses in Andover, it is advisable to call the instructor directly.

Several specialized publicity methods have been employed this month to assist in student recruitment for the various Adult and Community Education programs, both on a local and state level. Local residents may be interested to learn that the public service television promotions that have been aired for the past few weeks promoting adult high school diploma programs were prepared as the result of planning and monetary contributions by many of the local adult education programs in Maine, including S. A. D. #44.

To supplement the Course Guide, which was mailed to all S. A. D. #44 postal patrons, notices regarding special courses and the Adult Basic Education and Adult High School Diploma options were sent to many area employers and to local ministers and churches. The goal of such efforts is to develop a network of individuals in the community who are familiar with the programs offered by Adult and Community Education, who will be able to encourage others in need of the services to enroll. The encouragement of trusted friends and family members is often the key factor in an individual's decision to start work on a high school diploma, the G. E. D. or in improving basic skills such as reading, writing and math.

Most classes in the Adult and Community Education program start the week of Sept. 21. However, there are exceptions to this, students should check their Course Guides. Payment of registration and lab fees should be made at the first class.

Special Note to Andover Residents

Those wishing to sign up for the Adult Education courses on Wills and Probate and Foods Laboratory to be held in Andover this fall may do so by calling the Andover Elementary School if they wish to save a toll-call to Telstar. Both classes will be held at the Andover Elementary School, the Wills course on Tuesdays and the Foods course on Thursdays. To enroll in other Andover Adult Education courses, call the teacher directly.

THANK YOU

The welcome was overwhelming and we thank you immensely.

Rags Griffin of Bridgton spent the week end with Mr. and Mrs. Joe Perry.

Joseph Perry is a patient at Stephens Memorial Hospital this week. He received a pacemaker on Tuesday.

Mr. and Mrs. Don Walker visited Mr. and Mrs. Frank Ojeda and Melissa Walker at Shady Brook Farm, New Sharon, Sunday.

Mr. and Mrs. Cliff Miller and Mr. and Mrs. Herb Rowe spent two days in Wolfboro, N. H., recently. They enjoyed a 65 mile cruise on the "Mt. Washington" on Lake Winnepesaukee.

Charlie and Nancy Nickola and children, Stephen, Cathy, and Paul, and friend of Peabody, Mass., visited relatives in town over the week end. They later joined Allan and Joyce Gibbs of Haverhill, Mass., at Camp Lacook, Albany.

The Board of Advisors for the Outstanding Young Men of America Awards Program have announced that Christopher L. Chandler of Bethel has been selected for inclusion in the 1981 edition of Outstanding Young Men in America. Young men are selected for this honor from nominations received from senators, congressmen, governors, mayors, state legislators, university and college presidents and deans as well as various civic groups, including the United States Jaycees which also endorses the Outstanding Young Men of America program.

Locke Mills

— Mrs. John Mills, Corres. —

There will be a farewell reception honoring Rev. and Mrs. David Wuori at the Union Church on Sunday, Sept. 20, from 2-4 p.m. There will be a book of memories compiled for the Wuoris, so if you have some memories (cards, poems, pictures, or writings) you would like to have added, please bring them along. There will also be a money tree. Rev. Wuori's last Sunday with the Locke Mills Church will be Sept. 27.

The Union Church will be sponsoring a harvest supper on Sept. 26.

Stacy May Swan, daughter of Mr. and Mrs. Bruce Swan, Bridgton, was dedicated Sunday at the church.

Mansfield Packard has transferred his membership from Waterville to the Locke Mills Union Church.

The pulpit search committees from Andover and Locke Mills have held several meetings to lay the ground work for calling a new pastor.

Congratulations to Robyn Brown and Thomas Car. on their recent marriage.

Ellen Cole underwent exploratory surgery Wednesday at Central Maine Medical Center, Lewiston.

Oscar Johnson was returned home from Rumford Community Hospital.

Mrs. Ruby Coolidge is a surgical patient at Stephens Memorial Hospital, Norway.

Reginald Roberts, Strathmore, Pa., who is visiting his mother in South Paris, recently called on his aunt, Mary Mills, his sister-in-law, Kay Roberts, in town, and also called on another aunt, Vi Churchill, Bethel.

Mr. and Mrs. John Smith, Dryden, spent Thursday night with her parents, Mr. and Mrs. John Mills. They brought the dog to stay while they vacationed in Bar Harbor.

The North Pond Sailing Association held their last regatta of the season on North Pond Sunday, with fair breezes and a good turnout of nine boats. The first race was won by Blaine Mills, 2nd place, Alice Johnson, followed by Charles Johnson, third. Winning the second race was Blaine Mills, with Maynard Cushman and Charles Johnson in second and third places. First three places in the third race were taken by Maynard Cushman, Blaine Mills and Charles Johnson.

REV. AND MRS. WUORI HONORED BY TRUSTEES

On Sept. 11 Mrs. Harvey Fisher opened her home for a gathering of the trustees of the Andover First Congregational Church with Rev. and Mrs. David Wuori as guests.

A delicious meal was enjoyed. A special cake in the form of a cross, made by Mrs. Arthur Myshrahl, was the centerpiece.

Rev. Wuori will be leaving Andover the last of September for Massachusetts where he will study for his doctorate and will also be pastor of the Congregational Church in Fitchburg.

Senior trustee, Robert B. Swain presented Rev. Wuori with a gift from those attending.

Attending were the present trustees, Richard Planter, Donald French, Robert B. Swain, Betsey Fisher and Arthur Myshrahl. Other trustees during the past five years attending were Howard Marston and Donald Mixer. Others attending were Mrs. Richard Planter, Mrs. Donald French, Mrs. Robert B. Swain, Mrs. Arthur Myshrahl, Mrs. Howard Marston and Mrs. Donald Mixer.

WOODSTOCK HISTORICAL SOC. ELECTS OFFICERS; SUPPORTS "DON'T YANK THE CRANK"

The Woodstock Historical Society held its annual meeting last Saturday evening. Outgoing President Earl Noyes presided. The following officers were elected and committees appointed: President, Eva Billings Twitchell; Vice President, Glynn Brooks; Secretary, Hazel Brooks; Treasurer, Annie Crockett; Trustee, Mansfield Packard; Curator, Larry Billings; Clerk, Eva Twitchell; Program Committee, Dorothea Hooper, Sandra Brooks, Joyce Hoyt; Refreshments, Mary Billings, Kay Billings. A new Research Committee was created to answer genealogical queries, research town history, and prepare materials for publication. Its members are Ruby Emery, Jack Auchmoody and Kay McAllister. The Board of Trustees elected Merle Ring chairman and Eva Twitchell, vice-chairman.

Incoming President Eva Twitchell presented the Society with several beautifully framed pictures from General James Alger of historical interest to the town. A number of other donations were made to the museum, and the pictures Blaine Mills reproduced for the Society were admired by the members.

After some debate the Society voted overwhelmingly to support the "Don't Yank the Crank" Campaign. It was generally felt the historical value of the last old phone system in the country more than warranted such an endorsement.

The following amendment to the Constitution was posted for the members to vote on at the next meeting: "The Board of Trustees may make decisions for the Society, but a vote of two-thirds of the members present at a meeting is sufficient to overrule them. They are responsible for reporting their decisions to the members." Hopefully, the Board may thus make decisions for the group, but the members will feel confident that their will must be respected.

The program was on 19th century Maine Politicians. Their role in the organization of the Republican Party, their early incentives for entering political life, their contributions and shortcomings, their personal qualities, and their impact on Maine and the nation were all examined. Speaker Larry Billings also donated biographies of Blaine and Reed to the museum library. Basil Seguin had already presented the Society with a newspaper biography of Sidney Perham, one-time governor of Maine, who was born and buried in Woodstock. The Russells have also given the Society a biography of George Allen England, a prominent novelist who once lived in Bryant Pond. Informational note: President Rutherford Hayes' daughter lived in Woodstock for many years, and President Calvin Coolidge used to visit to fish in Lake Christopher.

"HEALTHWISE" SERIES TO BE HELD AT STEPHENS HOSPITAL

Local physicians, nurses, and other area health professionals will be among the guest speakers during the upcoming series of workshops on family health care. The series, entitled "Healthwise," will be held at Stephens Memorial Hospital, Norway, in the Health Education Department starting on Sept. 28. The workshops will be held each Monday evening from 6:30 to 9 p.m. for 10 weeks.

Sponsored jointly by the Cooperative Extension Service and Stephens Memorial Hospital, the Healthwise Workshop is designed to help people take a major role in family health care. Participants will learn ways to recognize when an illness can be managed at home and when professional medical care is needed. The format includes discussion, questions and answers, and a 10-part videotape series. Each family enrolling will receive a handy 250-page family health handbook, courtesy of the Cooperative Extension Service.

Topics include health problems families face daily, such as colds, flu, diarrhea, backaches and headaches as well as dental care and nutrition. Treatment of injuries and emergencies will also be discussed. The Heimlich maneuver for choking victims and cardiopulmonary resuscitation (CPR) will be taught.

Pre-registration is encouraged as the course will be limited to 25 persons. A fee will be charged to cover the cost of course materials. For further information and registration, persons may call Martha Farrington, R.N., at Stephens Memorial Hospital, 743-5933, ext. 489.

DIRIGO NIPS TELSTAR 2-1 IN FIELD HOCKEY MONDAY

With the score tied at the end of regulation and a ten minute overtime Annette Jasper scored on her team's third penalty stroke to give the Dirigo Cougars a narrow 2-1 field hockey win over home team Telstar Monday afternoon.

Wendy Wing put Dirigo ahead at 27 minutes of the first half on an unassisted goal. Georgia Gould also scored an unassisted mark while tying the score for the Rebels at 14 minutes of the second half.

ACADEMIC STANDARDS STEERING COMMITTEE OF S.A.D. #44 MET TUESDAY

The Academic Standards Steering Committee of M.S.A.D. 44 met on Tuesday, Sept. 15, at Ethel Bisbee Elementary School. The Committee reviewed and adopted a policy statement, reviewed the Committee function, and divided into three sub-committees to begin the task of defining broad goals at grades kindergarten through eight in reading, mathematics, and language arts.

After a brief discussion, the Steering Committee defined its function as overseeing the development of a comprehensive plan of educational goals, objectives, performance standards, and an evaluation system that is responsive to S.A.D. 44's learning expectations. Among the issues the Committee will address are: promotion and retention; grading organization of elementary schools; community response to school programs, and evaluation procedures used to determine mastery.

The Committee determined that goals and objectives should be developed for all grade levels up to grade eight in reading vocabulary, reading comprehension, spelling, grammar, composition, and mathematics computation and mathematics applications.

Dr. Wayne F. Gersen, S.A.D. 44 Superintendent, indicated that the high school would review its graduation standards and evaluation procedures in lieu of developing grade level goals and objectives. Mrs. Eleanor Tracy, the Steering Committee chairman, asked Committee members to work in reading, language arts, or mathematics.

Attending the meeting were: Mrs. Tracy, Dr. Gersen, John Woodbury, Barbara Sabin, Carol Stuart, Beverly Melville, Denise Brown, Karen Bean, and Theodore Davis. The next meeting will be held Tuesday, Sept. 29, at 3:30 p.m. at Telstar Regional High School. Any community members interested in working with the district personnel in developing academic standards are welcome to attend.

Letters to the Editor

Three Broad Street
Bethel, Maine
15 September 1981

To the Editor:

Please consider this an open letter to my government, the people . . . and a legal notice. First the letter.

Once again I am awakened by the sounds of squealing tires, sheetmetal meeting sheetmetal and the tinkling of broken glass that announce for the fourth time in five years that a traffic accident has occurred at the intersection of Broad, Main and Church Streets. And while the rest of the world proceeds apace, a tourist, a local couple, an elderly gent or a teenager finds himself in an ambulance, or at least faced with police, reports, estimates and a real dose of acid indigestion.

No body has died yet. During 1980 and the early part of 1981, I wrote letters to various levels of my elected, appointed or career governors asking that the problem be rectified. And here is the problem.

Imagine a car proceeding from Church toward Paradise (only the chosen make it). A second car comes from the Opera House intending to drive down Main Street. They meet at the intersection. The behavior of neither is regulated by traffic signs. Who has the right of way?

If 2% of you are in error, the rest are in trouble and had better pause.

The solution offered by the various arms of the state and community goes as follows: first throw a thank you letter in the mail on some expensive stationery. Promise and plan some great solution . . . like traffic islands that will take, apparently, years to plan and years to execute. One letter even spoke on a "speedy" resolu-

tion! And then wait while the glass continues to tinkle. Please do something. One stop sign might save a life.

And so I won't be taken as some crank who offers only criticism, if you haven't in your coffers the \$35.00 for a stop sign, I'll see that you get it. Don't wait for the bigger government to act. Protect your citizens. Don't be impressed with talk of jurisdiction and whose responsibility it is. Town government will not be arrested and carted off for putting up a sign when the State dragged its feet. Install a simple "dummy" (like the one at the head of Main Street) with a stop sign on it and call it D.O.T., if you like. Anything but not nothing.

LEGAL NOTICE

to be published in a newspaper of general circulation only once: "TO BE INFORMED of a danger and to not, when publicly charged, do all that is reasonable to eliminate the risk, is, in fact and law, to assume the risk posed by that same danger."

I made this up, but wouldn't it be terrible if some victim of this intersection decided that, after all this time and foreknowledge, maybe it wasn't the other driver's fault after all but OURS?

No reply letters please. At least none are requested on expensive, trendy stationery.

To the Editor:

What is Cross-Country? Cross-country is unique. It is a sport in which the last man to finish a run is often cheered. It consists mainly of 90 to 150 pounders performing a training schedule that most men could not endure. It is a sport vastly misunderstood by the public.

Though cheered in a race, the long distance runner may be subjected to ridicule during his training. The training that involves the successful runner is an experience that only those taking part can comprehend. The layman often asks why. The answer is not precise. Why the runner runs has prompted many answers. The answers are as varied as the individuals taking part. It should suffice to say that the cross-country runner is one of the hardest working athletes in the realm of sport. His reasons are usually his own and more often than not, they only make sense to him.

Cross-country is a life-time activity. It is possible to run cross-country nearly anywhere. It is the

Ideal sport for the young man or woman, that physically or emotionally, isn't ready for team or contact sports. Competition is both personal and a team nature. Cross-country could be an excellent sport for your son or daughter, or even yourself. Encourage young people to participate in this life-time activity.

John Applin

Attention Grade 2: W. E. S. — Here is more news on the interesting things that are going to happen in your school life this year of 1981-82.

Sept. 18, Mrs. Susan Farrar, Bethel, will teach us a beginning tap and exercise routine. Constance Hindman, Bethel, will come in sometime and show us how blind people receive tapes in the mail, use special cassette and machines, then we will learn how they mail their own tapes back. She will do some other things with and for you.

Fay Corrin, Bryant Pond, has invited us to visit her lovely shop and make some pottery. Thank all of you people in this area, mentioned here and before, for your concern and work with our children. You are talented and wonderful!

O.K. Mrs. Parker signing off. Be sure to read your local paper.

REUNION AT CONGREGATIONAL CHURCH SUNDAY, SEPT. 27

The West Parish Congregational Church will observe its second reunion Sunday on Sept. 27 with worship services starting at 10:30 a.m. The purpose of the special reunion day is to observe the dedicated service given to the church by so many of its members and friends in the community.

The program for the day will include a reading of scripture from the pulpit Bible given to the church by Rev. Daniel Gould, an exhibit of historical materials about the 1937 church renovation activities and the 1940's reorganization of the church and parish into one unit. Also, the reunion program will be used to regain contact with some former members of the church and community. A list of church members with whom contact has been lost will be posted and those present will be asked to provide assistance in locating them.

TELSTAR SOCCER DOWNS LAKE REGION

Rocky Myers scored two goals and Luis Moran scored one leading the Telstar Varsity soccer team to a 3-1 victory over Lake Region before a hometown crowd. Luis got the scoring going at 8:09 of the first period when he punched in a perfect cross from teammate Chris Mills. Jim Loring of Lake Region evened the score at 1-1 in the second period on a long shot that just cleared the goal line. The score remained tied through the third period. Then at 4:49 of the last quarter Rocky Myers sent a shot past Lake Region goalie Lester Fogg to break the tie and then added an insurance goal five minutes later from a free kick.

Telstar dominated play throughout most of the game as they fired 30 shots at goal to 17 shots for Lake Region. Telstar goalie Brandon Salway had to make 11 saves, one of them coming from a penalty kick. The win brought the team record to two wins and one loss having previously defeated Buckfield, 4-0, and lost to Fryeburg, 2-1, in overtime.

In the JV game, Sean Kersey broke a 0-0 tie in overtime to give Telstar the victory. The JV record now stands at 2-0.

TELSTAR HARRIERS WINLESS IN FIRST TWO STARTS

The Telstar cross country team opened the season this past Saturday with a home meet against Lake Region. In a close race, depth provided the margin for Lake Region, winning 23-32. Ron and Rick Savage turned in good performances in the losing cause.

Monday Telstar hosted a strong Dirigo team, losing by a score of 21-40. Depth again proved the deciding factor, as Ron and Rick Savage placed third and fourth respectively.

The first session will be held on Sept. 23 and will be an introduction to Bethel's past by Stanley R. Howe, Director of the Bethel Historical Society.

Other sessions will be: Sept. 30, "Bethel's Religious History," Margaret Joy Tibbets, chairman, Board of Trustees, Bethel Historical Society; Oct. 7, "Bethel's Agricultural Past," Stanley Howe; Oct. 14, "Bethel's Hotels and Boarding Houses," Donald G. Bennett, president, Bethel Historical Society; Oct. 21, "Bethel's Educational History," Margaret Joy Tibbets; Oct. 28, "Bethel's Commercial and Industrial History," Stanley Howe; Nov. 4, "Views of Bethel Through the Years: A Social and Cultural Profile," Stanley Howe.

FUN AT THE CONGREGATIONAL FOOD FAIR

Fun was had by all at the West Parish Congregational Food Fair last Saturday. The weather cooperated so that the fair could be held on the church lawn. The tables were decked out with a wide variety of luscious vegetables, from strawberries to kohlrabi. The fair was also graced with beautiful harvest-time paintings by Helen Morton.

Leading off the event was the "traditional" judging. The lucky prize winners were... Gertrude Hutchins—so good it will make you cry onions, and the Longest Beets; Jim Chandler—the only Cabbage Award; Dexter Stowell—Largest Buttercup Squash, Best Strawberries, the last of the summer; Marvin and Tineke Ouvinga—Smallest Tomato, Largest Spaghetti Squash, and Strangest of Show—Kohlrabi; Mrs. R. R. Tibbets (Coon Hill Gardens)—Best Red Potatoes; Helen Morton—Driest, Prettiest Beans, Largest Pumpkin, and Pretty as a Picture Apples (unfortunately, they couldn't be eaten); Stan Lord—Largest, Juiciest Tomato (it beat out the closest competitor by two bunces), only Zucchini (a most unusual occurrence), more Zucchini showed up after the judging; Rev. Brendon Bass—the Healthiest Bread, Best Turnips; Rev. Jean

BETHEL HISTORY COURSE SCHEDULE ANNOUNCED

The Bethel History course sponsored by the Bethel Historical Society to be held in the Moses Mason House meeting room each Wednesday evening at 7:30 p.m. will feature several sessions and a field trip to points of historic interest within Bethel.

The program will open on Friday evening, Sept. 18, with a special American Legion program fair. Each program division of the Legion will be present with distribution of materials. Also that evening, the officials of the Maine American Legion will host a reception for all registered guests from the New England area.

On Saturday, Sept. 19, the Leadership Seminar will feature workshops in various programs including Americanism, Children and Youth, Economics and Employment, Legislative, Membership, National Security, Foreign Relations, Veterans Affairs and Rehabilitation. A reception for all members and guests attending will be held Saturday evening, hosted by the Department of Maine, American Legion.

Sunday morning the Seminar will conclude with a wrap up session and closing ceremony. This Regional Leadership Seminar provides an opportunity for all American Legion and Auxiliary members to gather excellent information on the programs of the organizations.

RETIRETEACHERS TO MEET AT FRYEBURG SEPT. 19

The Oxford County Retired Teachers Association will hold their first fall meeting on Saturday, Sept. 19, at 10:30 a.m. at Fryeburg Academy in Fryeburg. Fund Raiser, Foodless Food Sale. Luncheon at noon. The program is to be announced.

Mother Nature quietly goes about preparing her lovely restful season. Autumn is like her sunset at the end of the day or the twilight of the year. We have enjoyed the sunshine with the sky so blue, the coloring of the leaves and the fields again in bloom with fall flowers.

One day I took a walk through the woods to the farm fields. Golden beauty was shining over the land. So many things in September. From my look-out on a large boulder I could see the goldenrod, goldenglows and golden corn. In the garden were golden pumpkins and golden squash, while here and there a few golden leaves shone out.

Far down the hill over the water my eyes caught a movement in the air. I watched, as a hawk soared upward in effortless flight. Up and up it went spiraling until it became a tiny speck and was swallowed into the void of infinity.

All this did not have the grandeur of the ledge-topped mountains, but the pictures from here were appealing, homey, and intimate. I appreciated them if they were small and familiar.

To my left were the walls stitched with birches, alders, maples in red and hemlocks.

As I walked I listened to a symphony; the cricket, the dainty ballet of a falling leaf, a waning breeze humming a soft innuendo to the plaintive cry of some lonely bird. It was nice to watch and listen to it all, these blessings of a gorgeous fall.

The pond shone like a looking glass so tranquil and serene, as I faced it on my way down the hill toward home.

As the day finished, a golden sunset turned the pond a bit less golden than itself.

Later a softly shimmering pathway on the water was made by the mellow glow of the moon. Day's end. What a beauty!

The T. T. Club met for "Christmas in September" on the 10th at Louie Coffin's home in West Paris. First the eight members went to Lewiston for dinner, then returned home for the Tree. Yes, we had a tree loaded with gifts, in fact, we had two trees. One wore ornaments of silver, the other blinking lights. The room was very festive in its Christmas decorations; holly stockings, candles, and Santa.

Why in September? Some of our members will be in Florida at Christmas time.

It was really a fun party. Those attending were Lettie Brooks, Dot Ross, Lyndell Farr, Doris Slatery, Avis Stelhorn, Doris Hayes, Colista Morgan and our hostess, Louie Coffin.

Doris Hayes and her grandson, Scott, attended a family reunion at the home of Bryce Yates, Sunday River, on Sunday.

Callers at the Hayes' Homestead were Mr. and Mrs. Glenn Hayes and son, Kerry, from Gray.

We called on Carroll Notgate in South Paris, on Sunday.

Mrs. Gallant and Miss Andre presented "Good Start in Kindergarten" Awards to each kindergarten child.

Children from each classroom either showed or told about what they were doing at school. The

Mr. Wuori will conclude five years of ministry in these churches. He has been accepted as a candidate for the Doctor of Ministry degree at Gordon-Conwell Theological Seminary in South Hamilton, Mass., and has also been called as pastor of the Elm Street Congregational Church in Fitchburg, Mass.

The decision to change locations came about due to a number of factors. Gordon-Conwell has recently instituted the Doctor of Ministry program. Rev. Wuori has long sought to achieve this degree which is the academic capstone of his calling as a minister. The degree work can be shaped in any number of directions the student desires. Mr. Wuori's interests lie in the area of counseling and church administration. He will begin his studies on Oct. 1. The program will take from 2½ to 5 years to complete with residency required in January and again in the summer of each year.

"Whenever a minister makes a decision such as this, he must wrestle with the alternatives keeping in view the needs of the churches he serves, his family and his own goals," Mr. Wuori said. He added, "In this situation my own personal and professional goals have taken precedence. I want to pursue excellence in ministry. In his letter of resignation, Rev. Mr. Wuori said that he was deeply pained by the thought of leaving the western Maine area and breaking the close bond that had developed with the churches. He noted that the churches were now suddenly thrust into a transitional period in which termination emotions will be expressed.

During Pastor Wuori's ministry worship services, study and youth groups have functioned on a weekly basis, 45 new members have joined, retreats have been held,

Rev. David E. Wuori

Vacation Bible School initiated, and a monthly newsletter published. The Andover sanctuary has been completely insulated and the Locke Mills church has expanded its parking area.

He pledged his leadership to the churches in these closing weeks of ministry. Both Rev. and Mrs. Wuori expressed their appreciation to the people among whom they have lived and worked during the last five years. In this time their son, Steven, has graduated from Gould Academy and is a student at the University of Southern Maine, and daughter, Barbara, is a 1981 graduate of Telstar Regional High School. She will be attending Fisher Junior College in Boston this fall. Their daughter, Lisa, has completed 8th grade and will enter high school in September.

While Pastor Wuori has served on church, conference and association committees, his primary involvement has been in the local concerns: The Health Education Committee and Chemical Abuse and Drug Education Team of S.A. D. #44, Kiwanis and Masons.

Adult Education at Rumford was last week with 22 people signing up. There are two weeks left to "square up for fun" before the cut off date. Come and join us in fun.

Mrs. Evelyn Bodemer, Parent Help Group coordinator, has tallied the many responses received for community involvement. This involvement between school and community is what makes our school very special. Evelyn has contacted parents who indicated they would like to be room mothers for the 1981-82 school year. They are: Kindergarten (Mrs. Sabina), Wanda Farrington and Joanne Palmer; Grade 1 (Miss Stuart), Gloria Conary, Marilyn Morton; Grade 2 (Mrs. Meisner), Phyllis Spaulding and Heidi Snyder; Grade 3/4 (Mr. Gironda), Agnes Foster, Norma Plantier; Grade 4/5 (Mrs. Morgan), Judy Michaud, Kathy Williamson; Grade 6 (Mr. Emery), Liz Bodwell, Alice Dixon. Mrs. Linda Clark and Mrs. Carol Littlehale will chair the school library committee for the 1981-82 school year. They are meeting with Evelyn to assess the needs and organization of the library and to do some pre-planning to get the library underway in a smooth fashion. Their enthusiasm inspires confidence that they will do an effective job for the school. On Sept. 27 at 12:30 a farewell

School pictures were taken on Tuesday, Sept. 13. Pre-schoolers got theirs taken first. An exciting day for all concerned.

Mr. and Mrs. Charles Jaros and Maryanne visited her aunt, Mrs. Laura Dwyer, in Englewood, N. J., over the week end.

The Andover Service Circle met Tuesday night at Polly Johnston's house. It was voted to give the "Old Home Day '82" a gift of \$25. They made a \$32 profit on the flea and craft market held Aug. 8. The next meeting will be Oct. 13 at Joyce Martin's. They hope to have a travel movie on Japan. After the meeting they said "good bye" to Evelyn Wuori. They gave her a book on Maine. Re-

Mr. and Mrs. Arthur Cummings, Bethel, called on Amy and Roger Hanscom, the Glovers, and Mrs. Eleanor Morton, Saturday.

Mr. and Mrs. Verne Glover, Hollis, spent the week end at their trailer here. They had as guests their grandchildren, Tracy Glover, Buxton, and Michael Drinkwine, East Waterboro.

Mr. and Mrs. F. Owen Wight, Newry; Matthew Wight, Orono; Scott and Thomas Wight, Brunswick; William Brooke, Augusta, visited Mrs. Susan Bowie (nee Brooke) in Augusta Sunday, in honor of Susan's birthday. All went to the hospital to visit Mrs. William Brooke (nee Gail Dickey) and her new daughter, Samantha Gail. Samantha was born Sept. 10, in Augusta, and weighed 8 lbs., 15 oz.

Mrs. Louise Learned was a week end guest of Mr. and Mrs. Larry Cummings and family, Madison.

Our church message was on "God is not Mocked."

Selectmen Roger E. Hanscom and Willard A. Wight met Saturday morning. A warrant to the Treasurer to pay the September S.A.D. 44 assessment and the Blue Cross was signed. The new Highway Block Grant was discussed and the Chairman wrote a letter to the D.O.T., asking for clarification of the roads to be turned back to the Town. It was felt by the Selectmen that since the State Aid Road at Sunday River led into Riley Plantation that it could not be classified as a strictly Local Road. The Selectmen had received a letter from the Department of Human Services concerning HEAP (Home Energy Assistance Program) and asking if the Town wished to administer this program.

GREENWOOD WINS ONE PITCH TOURNAMENT

Greenwood came out on top at the one pitch tournament held at the recreation field in Locke Mills Saturday, Sept. 5. Eight teams from the Bethel area slow pitch softball league entered the double elimination event.

The first game was played promptly at 9 a. m. and the contest was on. There were many exciting plays as the day progressed. After the dust settled there were two teams left to play for all the marbles. They were "Greenwood" and "Rowe Hill". Rowe Hill played a fine game and beat Greenwood 4-2. This was Greenwood's first loss of the day so a final game had to be played. Racing darkness, the two teams took to the field again. The game was called on account of darkness in the top of the sixth inning with Greenwood leading 7-3.

A large and enthusiastic crowd was on hand for most of the day and especially for the last three games. Hot dogs and sodas were sold by the Greenwood fire department auxiliary.

The teams competing were: Bethel Furniture, Andover Wood Products, Rowe Hill, Bad News Bears, Bethel Loggers, Bryant Pond, Sunday River, and Greenwood.

TELSTAR SHUTS OUT MEXICO IN SOCCER MONDAY

Telstar upped its record to 3-1 with a convincing 5-0 win over host Mexico in soccer action Monday afternoon.

The Rebels were led by Rocky Myers who notched two goals the second coming on an assist from his brother, Bobby. Other scorers for the winners were Darren Tripp, Chris Mills and Allen Comen.

Brandon Salway made three saves while recording the shut-out while Ryan Carter faced 17 shots in the nets for the Pintos.

NOVA AND S. A. D. #44 OFFER SEVERAL ADULT ED. COURSES

NOVA and the S. A. D. #44 Adult and Community Education program are cooperating this fall to sponsor several courses for adults at Telstar Regional High School. Blake MacKay, state electrical inspector, will offer the National Electric Code course on Wednesday evenings from 7-10 at Telstar, beginning Sept. 23 for 10 weeks. Mr. MacKay has taught this course for several years at SMVTL NOVA and S. A. D. #44 are delighted to have the opportunity to offer it locally.

Bethel welder Arnie Brown will again be offering a beginning course in welding, which has proved valuable for many mill, ski area and logging employees in the past. Due to limited facilities, the maximum enrollment for this course is small and the Fall 1981 course is filled.

Michael Chandler, a resident of Andover, will offer a "hands-on" course in Solar Projects on Monday evenings at Telstar, appropriate for the homeowner and the builder. Energy audits, construction of solar collectors, storm windows and insulating shutters will be among the subjects covered. Mr. Chandler has worked as a cabinet-maker and in building construction in California and North Carolina and before his graduation from Dartmouth College, worked in the architectural offices of Moore-Weinrich in Brunswick. He is presently employed in building

SPECIAL TOWN MEETING

continued from Page One

rant article creating the Recreation Board several years ago. The ordinance includes in its provisions: organization and rules, as well as enumerating duties and powers of both members and of the Board.

Copies of each of the ordinances which were effective upon enactment are available at the Town Office.

Following explanation by Town Manager Norman Ness and discussion by voters present, the action of the Selectmen in closing the following roads to winter maintenance from Nov. 1 through April 30 for a period of 10 years was ratified by those present:

Swan Hill Road (also known as the Buck Road) a distance of approximately two miles from the Intervale Road to the Old Buck farm, so called; Osgood Road, a distance of approximately .7 of a mile easterly from a point 800 feet easterly of its intersection with the Intervale Road; Adamson Road (also known as the Billings Road) a distance of approximately .25 of a mile easterly from the Intervale Road; Chase Road, a distance of approximately .7 of a mile northerly from State Route 26; Hart Road, a distance of approximately .2 of a mile southerly from the Rabbit Road; Abe Merrill Road a distance of approximately .25 of a mile easterly from the Intervale Road.

Citing the fact that there were "year round homes" on the roads effected and that little or no winter maintenance funds had been expended on the roads for many years as well as the non-resident owner of one of the dwellings not being formally notified, the voters turned down the ratification request that would have closed the following roads to winter maintenance: Waterspout Mountain Road, a distance of approximately .4 of a mile southerly beginning at a point .1 of a mile southerly of its intersection with the Chandler Hill Road; Brown Road, a distance of approximately .1 of a mile southerly from the Grover Hill Road.

A motion to reconsider the meeting's decision on the Swan Hill Road (also known as the Buck Road) failed.

construction and is working on the restoration of his house in Andover.

Iver Carlson, the Forestry instructor for NOVA, will present a "special week-end workshop on Swedish felling techniques used in wood-harvesting on Saturday, Oct. 31 at Telstar Regional High School. The workshop will include a class room session and field demonstration. It will begin at 9 a. m. and last until early afternoon. Coffee will be available, with participants invited to bring something for lunch.

To register for any of the NOVA S. A. D. #44 Adult and Community Education Courses, those interested should call the Adult and Community Education office at Telstar High School, 824-2136, weekdays between 8:30 and 2, and on Sept. 14, in the evening from 7-9.

TELSTAR 20-0 GRID VICTOR OVER BOOTHBAY SATURDAY

The Telstar Rebels used a stifling defense and a multi-faceted offense to easily defeat a very young Boothbay club, 20-0 in inter-scholastic football action on the winners' field Saturday afternoon.

Telstar scored touchdowns in the first, third and fourth periods. Andy Chase scored first with a five-yard TD run on a sweep around left end. In the third period, Tim Akers blasted up the middle from the one, and in the final quarter Bernie Getchell broke loose for a 21-yard scoring run.

Telstar gained 218 yards on the ground, with Akers picking up 113 of them on 21 carries. Telstar also managed 77 yards through the air on seven passes. Getchell caught five of these passes for 71 yards.

Defensively, Telstar held Boothbay to only one first down in the game, and a total of minus 27 yards rushing. Kevin Myshra, the nose tackle was the man leading the fierce Telstar rush.

RECREATION BOARD MET TUESDAY, SEPT. 8

The Bethel Recreation Board met Tuesday, Sept. 8 to review this summer's program. The summer playground program was once again a great success and had a large number of children participate. The swimming lessons and little league both had large turnouts. Suggestions made to board members by parents were reviewed. The recently formed soccer program has also had a large turnout. The soccer teams play games Sundays at 1:00 at Telstar.

The next meeting of the Recreation Board will be Tuesday, Oct. 6 at 7:30 at Maryvonne Wheeler's house. At this time the board will begin working on their 1982 budget. Any person requesting money for a program is asked to attend this meeting or get in touch with a board member before Oct. 6.

YOUTH FELLOWSHIP OF WEST PARISH CHURCH STARTS NEW YEAR

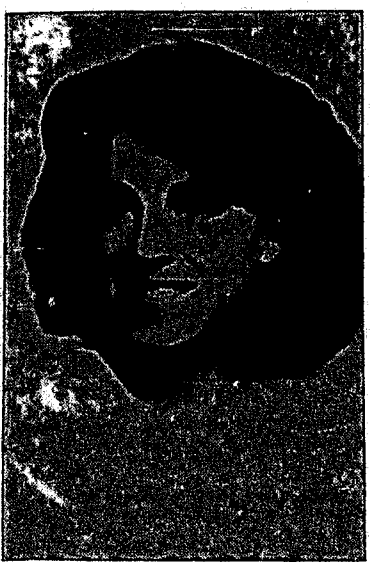

The Youth Fellowship of the West Parish Congregational Church started the year with a cook out at Sunday River Inn. Laughter echoed in the Valley as 35 kids joined for fun and foolishness. Some could really wing a schmeritz and others got a real lift during British Bulldog. All the hamburgers eventually got cooked and the day proved to be quite a success.

The first regular meeting of the group will be Wednesday, Sept. 23 at the church from 5:30 to 7 p. m. All 6th-12th graders are most welcome.

A confirmation class for 9th graders and up will begin Sunday, Sept. 20, from 7 to 8:30 p. m. The class will meet at the church every other week for study, discussion and fellowship. In the spring, those who desire to join the church will be able to do so. The youth program has exciting things in store for the coming year. There is a special place for YOU!

DESJARDIN - FLYNN ENGAGEMENT

Miss Beth Marie Desjardin

Mr. and Mrs. Ronald C. Desjardin of Woodlawn Avenue in Auburn are announcing the engagement of their daughter, Beth Marie, to Brian Flynn, Jr., son of Mr. and Mrs. Brian Flynn, Sr., of Auburn, formerly of Bethel.

The future bride is a graduate of Edward Little High School and Westbrook College. She is employed by Dr. Robert Sylvester in Lewiston as a medical secretary. Mr. Flynn attended Telstar Regional High School and is a graduate of Edward Little High School. He will graduate in June from Bates College in Lewiston. A summer wedding is planned.

line and extends 4.88 miles easterly toward Bethel, Horton says. Plans call for minor drainage improvements and placement of a new highway surface. Included in the project is the upgrading of roadside guard rail at some locations and the regrading of roadside slopes at other sites to eliminate the need for guard rail protection.

The Route 26 bikeway project begins at the entrance to Bethel's water pollution control facility and extends northeasterly about one mile to the entrance to Telstar Regional High School. Horton says highway shoulders will be paved to create 6-foot-wide bicycle lanes on both sides of the highway and pavement markings will be applied to delineate the bikeways from highway travel lanes. The project also calls for removal of a short section of guard rail near the middle of the project area and for the regrading of roadside slopes to eliminate the need for guard rail protection.

FINAL DRAFT FOR MAJOR RE-EVALUATION OF TEACHER TRAINING EXPECTED AT UMO

A final draft for a major re-evaluation of teacher training at the University of Maine at Orono is expected by the end of the current fall semester. The draft awaits an agreement by study groups on what constitutes an effective teacher and what is effective teacher training.

had experience as school secretary including several years as secretary at Telstar Regional High School.

The following coaches were approved for Telstar Middle School: assistant Soccer, Harlan Libby; assistant Field Hockey, Gail Wight. The bid of S. N. Foster Company, Inc., Augusta, in the amount of \$6,885 was accepted to re-tube one of the boilers at the Telstar facility. The work is to be completed within six weeks.

The board of directors ratified an agreement between the local bargaining unit of the American Federation of State, County and Municipal Employees, AFL-CIO, and the M. S. A. D. #44 Board of Directors. The agreement will expire on June 30, 1983.

The Superintendent of Schools, Dr. Wayne Gersen, reported that the District's school buildings were in excellent condition for the beginning of the school year. Special projects completed over the summer included: retilling of the floor at the Andover Elementary School; completion of the energy project, including removal of 15 windows and a complete repainting of the building's exterior, Ethel Bisbee School; retilling of the main hallway at the Crescent Park school; partitioning of the band room, painting of offices and classrooms, completion of the shop roof, at Telstar High / Middle School. The bus route consolidation appeared to go into operation with minimal problems.

Dr. Gersen reported that he had met with the new physician from the Bethel Area Health Center, Dr. Patricia D. Williams, together with Sue Bartlett, District Nurse, to discuss the Health Center's role in health services for S.A.D. #44. With Dr. Williams' strong interest in adolescent medicine, the linkage between B. A.

LILA M. BROWN

Lila M. Brown, Bethel, passed away very suddenly Monday morning, Sept. 14, 1981, while visiting at the home of her sister, Irene Wilsom, in West Greenwood.

She was born in Albany, Maine, Aug. 12, 1906, the oldest daughter of George and Sophia Parker Conner. She attended schools in Albany and Greenwood and was married to Walter Brown in 1933. Walter passed away in 1956. A brother, Parker passed away in 1954.

Lila is survived by a daughter, Ellen Brown Anderson of New Haven, Conn.; one sister, Irene Wilsom of West Greenwood; three grandchildren; one niece, and several nephews.

Graveside services will be held at 10 a. m. Saturday at Woodlawn Cemetery, Bethel. No visiting hours.

H. C. and the school district should be enhanced. It was announced by the superintendent that confirmation had been received from the Office of Energy Resources of \$7,500 in matching funds to have energy audits of the District's buildings. Some of the fund is to be used to defray the costs of the feasibility study by Dufresne-Henry.

It was reported that enrollment in District schools on opening day totalled 1,246. Enrollment on April 1, 1981 was 1,282.

Rough draft tentative plans for remodeling of the Ethel Bisbee, Crescent Elementary Schools were distributed to the directors. These were developed by Wadsworth Boston Dimick Mercer & Weatherill, architects secured by Dufresne-Henry as part of the feasibility study. Following a review by the staffs of the schools involved, final proposals and cost estimates are to be developed with an eye to the personnel of S. A. D. #44 doing the renovation work.

Board members absent Monday evening were: John Laban, Bethel; Fred Burk, Newry; Paul Hillquist, Sheryl Wilbur, Woodstock. There continues to be a vacancy on the board from Bethel.

The next scheduled meeting of the S. A. D. #44 directors is Monday, Sept. 28, in the library at Telstar Regional High School.
